Hi Michael,

I did check with my supervisor. He indicated that I should be able to do a few calls to get you on track and give you some background information, but the budget doesn't allow for me to travel to the site and perform site inspection duties.

I would be more than happy to discuss the issues surrounding the site, especially considering the fact that the names and faces (all but Gavin) are all changing in short order.

Subject: June 12th Site Tours Schedule

Mayor Hopewell, Michael Berkoff and Gavin O'Neill –

Based on everyone's current availability, here's what is scheduled for **Wednesday, June 12th**. We'll meet at the Administration Building at the Water Reclamation Plant at 10:00 AM and then proceed to the Cork Street Landfill site. Mayor Hopewell is available until 12 noon so that should allow us enough time to tour the site. Following the site tour, Michael Berkoff, Gavin O'Neill, and I will meet and discuss the Cork St. LF monitoring issues. At 4:00 PM, when the Mayor is once again available, Michael Berkoff, Mayor Hopewell and I will meet to tour the Allied site.

If there are any questions that arise or your schedules change please give me a call.
 Thank you,

Mike Wetzel, PE
 Environmental Services Superintendent
